

KINGSPORT PARKS AND RECREATION
Alerts and Notifications

- A section of the **Kingsport Greenbelt** will be closed beginning on Thursday, June 23, **from Clinchfield Street to Cherokee Village Drive**. Major sidewalk and Greenbelt resurfacing repairs will be completed during this time.
The estimated time of closure is weather dependent and may take up to 15 days (July 8).
A detour for Greenbelt users will be established, utilizing the existing sidewalk along Clinchfield Street between the bridge over the creek and Cherokee Village Drive. Once completed, there will be a smoother and easier transition from the paved section of the Greenbelt onto the sidewalks along Cherokee Village Drive.
